POP-UP HOSPITALITY SOLUTIONS

30m² of eye-catching marketing tool that works best for your business.

Impress your prospects with your products or services in our ExpoBoxx[®]

From the outside, the **ExpoBoxx[®]** is impressive thanks to its clear structure and modern design. The glass façade, which extends over the entire front and has an electric sliding door, gives the **ExpoBoxx[®]** a daylight and atmosphere. The low floor height of only 6 inches and the flat entrance ramp, access is accessible to everyone without any barriers. The **ExpoBoxx[®]** is equipped with an independent power supply, air conditioning and heating, led lighting, technical systems and equipment, which are necessary for a comfortable environment and essential elements for a successful roadshow.

Standard version

Quick and easy set-up

Just do it!

Outperform your competitors with daily actions in the ExpoBoxx®

Accelerate your sales plans, save on logistical and onsite efficiency creating cost efficiencies with the **ExpoBoxx®**.

Unique feature of the **ExpoBoxx®** is an ingenious, hydraulic system that lets the **ExpoBoxx®** level itself.

This saves not only an enormous amount of logistics and time spent on assembly,

but is also very cost-efficient, since no additional crane is needed to place the **ExpoBoxx®** on the ground.

Within a few minutes, the integrated hydraulic system enlarges the **ExpoBoxx®** with two slide outs and lifts it from the truck onto floor level. This creates an interior space of 30m².
