Meet your smart budget roadshow solution.

When promotion goals exceed budget.

Expandable® is our budget roadshow solution that can expand your business space at any desired location. Designed for small-scale brand experiences within the environment of your target group. What it seems to lack in originality and grandeur, it makes up for in price and ease of use. It is affordable and ready-to-go for your roadshow or as a small pop-up showroom unit for your event marketing and sales promotion activities.

For multi-roadshow purposes.

Enjoy the mobility to showcase your business.

Expandable® offers you pop-up space for your specific mobile marketing, retail, communication, or hospitality needs. The modular interior space provides convenient options for a variety of purposes. With the ability to transport large and heavy machinery alongside the exhibition unit and the minimal setup, this provides the ideal event to showcase your latest innovations.

TYPES

Expandable® Variant

Expandable® Contrast

No-time, no-frills.

Get your roadshow on the road quickly.

We have two types of units to get your roadshow on the road quickly; a standard unit called the **Expandable® Variant** and if you want something more luxurious and transparent, the **Expandable® Contrast**. With the latter, you get the quality and all-around glass exterior of our Mobile Showrooms with just a third of the floor space, limited internal height. No-frills and true to its name: it's an **Expandable®** mobile space. Keep it simple, and start your roadshow tomorrow!
